

**List of Participants:**
**Doctoral Candidates (DCs)**

|                                  |                                   |                |
|----------------------------------|-----------------------------------|----------------|
| Alessandra Bosc                  | Technische Universität Dresden    | Germany        |
| Ombretta Balbi                   | University Hospital Regensburg    | Germany        |
| Sarah Baldwin                    | AO Research Institute Davos       | Switzerland    |
| Ayush Bhattacharya               | University of Birmingham          | United Kingdom |
| Humaira Choudhury                | Universitat Autònoma de Barcelona | Spain          |
| Ana Centeno Pereira Brito Duarte | University of Cambridge           | United Kingdom |
| Serena Garrick                   | University College Dublin         | Ireland        |
| Gisela García Pérez              | Fundación Miguel Servet           | Spain          |
| Martina Gorla                    | University of Gothenburg          | Sweden         |
| Clara-Maria Hermann              | Anthogyr SAS                      | France         |
| Hawrez Ismael                    | Ashland Specialties Ireland       | Ireland        |
| Jinal Manek                      | University of Gothenburg          | Sweden         |
| Hasti Moghaddam                  | University of Gothenburg          | Sweden         |
| Juvairia K. K. Rahman            | Università degli Studi di Torino  | Italy          |
| Marta Vollono                    | University Hospital Regensburg    | Germany        |
| Satar Yousefiasl                 | University of Oslo                | Norway         |

**Supervisors (Principal\* & Co-supervisors)**

|                            |  |                |
|----------------------------|--|----------------|
| Heithem Ben Amara          | University of Gothenburg                               | Sweden         |
| Serena Best*               | University of Cambridge                                | United Kingdom |
| Doriane Chacun             | Université Claude Bernard Lyon                         | France         |
| Nicolas Courtois*          | Anthogyr SAS   | France         |
| Patrick Duffy              | Ashland Specialties Ireland                            | Ireland        |
| Melissa Grant*             | University of Birmingham                               | United Kingdom |
| Håvard J. Haugen*          | University of Oslo                                     | Norway         |
| Martin Johansson           | Oticon Medical AB; University of Gothenburg            | Sweden         |
| Iñigo Lasa*                | Fundación Miguel Servet                                | Spain          |
| Anja Lode*                 | Technische Universität Dresden                         | Germany        |
| Liliana A. Morales Laverde | University of Gothenburg                               | Sweden         |
| Karin Svensson Malchau     | University of Gothenburg                               | Sweden         |
| Peter Monksfield           | University of Birmingham                               | United Kingdom |
| Fintan Moriarty*           | AO Research Institute Davos                            | Switzerland    |
| Carme Nogués*              | Universitat Autònoma de Barcelona                      | Spain          |
| Tadhg Ó'Cróinín*           | University College Dublin                              | Ireland        |
| Anders Palmquist           | University of Gothenburg                               | Sweden         |
| David Peterhoff            | University Hospital Regensburg                         | Germany        |
| Martijn Riotl*             | University Hospital Regensburg; Universität Regensburg | Germany        |
| Paola Rizzi*               | Università degli Studi di Torino                       | Italy          |
| Laura Robelin              | Anthogyr SAS   | France         |
| Ola Rolfson*               | University of Gothenburg                               | Sweden         |
| Jonatan Tillander          | University of Gothenburg                               | Sweden         |
| Margarita Trobos*          | University of Gothenburg                               | Sweden         |
| Raphaëlle Youf             | University Hospital Regensburg                         | Germany        |

**SHIELD Doctoral Network**

12-17 April 2026

### Partner Organisations / Industry Representatives

|                 |                   |        |
|-----------------|-------------------|--------|
| Marsel Ganeyev  | Oticon Medical AB | Sweden |
| Pontus Lundberg | Amicoat AS        | Norway |

### Advisory Board Members

|                |  |                 |
|----------------|--|-----------------|
| Julie Gold     | Chalmers University of Technology  | Sweden          |
| Björn Rydevik  | University of Gothenburg   | Sweden          |
| Andrej Trampuz | Queensland University of Technology; Royal Brisbane and Women's Hospital | Australia       |
| Sebastian Zaat | University of Amsterdam  | The Netherlands |

### Management & Support

|                    |                          |        |
|--------------------|--------------------------|--------|
| Anna Carlsoon      | University of Gothenburg | Sweden |
| Maya Daneva        | University of Gothenburg | Sweden |
| Rose Marie Tschina | University of Gothenburg | Sweden |
| Susanne Westergren | University of Gothenburg | Sweden |

### Teaching & Training

|                    |                                 |        |
|--------------------|---------------------------------|--------|
| Matts Brittberg    | University of Gothenburg        | Sweden |
| Laura García Belío | Fundación Pública Miguel Servet | Spain  |
| Khalil Helou       | University of Gothenburg        | Sweden |
| Martina Jolic      | University of Gothenburg        | Sweden |
| Johan Karlsson     | University of Gothenburg        | Sweden |
| Nesrin Vurgun      | University of Gothenburg        | Sweden |
| Agnes Wold         | University of Gothenburg        | Sweden |
